

Dear,

The **International Forum on Disability Management (IFDM2022)** will take place in Brussels from 28 to 30 September 2022. It will bring together people from all over the world around the theme of Disability Management.

During 3 days, different speakers will present their work and research and share their experiences. A unique and enriching experience!

You can now [register](#). There are still a few tickets available with reduced price (460 euros). Once these tickets are sold, you will be able to register at the normal price (600 euros) or with a 15% discount with a valid CDMP or CRTWC certification (510 euros).

Check out the congress [programme](#).
