## Call for Abstracts

## IFDM2026 Conference

We invite all interested parties to submit abstracts for presentation at the IFDM2026 Conference. The theme of the conference is **“Empowering Ideas, Shaping Futures”**, where we will bring together global leaders in Disability Management, Occupational Health, RTW, Employability and Brain Health.

---

## Submission Themes

The four themes around which workshops and plenary sessions will be developed are:

1. Creating a Culture of Accommodation
2. Brain Health (including Neurodiversity) and the Issues associated with work
3. Developments in Health and Disability Management
4. Workplace Early Intervention and Mental Health Support (what works for whom)

**Details of the themes can be found on the button below.**

# Submission Guidelines

Abstracts should be submitted by emailing [conference@ifdm2026.com](mailto:conference@ifdm2026.com) with title “**Abstract Submission**”.

The abstract should **not exceed 300 words**.

Each submission should include a **title, list of authors, name of presenter(s) and contact information**.

Clearly state the **objective, methodology, results, and conclusions** of the research.
