# IFDM2026 'Early Bird' Ticket Registration Open

We are delighted to announce the launch of the International Forum on Disability Management 2026 (#IFDM2026), and that **Early Bird Registration is now open.** 

The IFDM conference held bi-annually started in 2002 in Vancouver and after travelling to cities across the globe was again hosted by Vancouver in 2024. Now it is the turn of **Edinburgh, Scotland on** the 22<sup>nd</sup> and 23rd September 2026.

Building on the success of Vancouver 2024 next year's forum "Empowering Ideas, Shaping Futures" brings together global leaders in Disability Management, Occupational Health, RTW, Employability and Brain Health.

For two days IFDM2026 will focus on **creating life-changing value** in the workplace through intervention, disability management processes, policy and professional engagement in the vibrant capital of Scotland

Attendance contributes more than **20 hours of CPD** to the **CDMP/CRTWC** community, so join us for an engaging, practical, forward-looking **#IFDM** designed to invigorate our shared passion for workplace health, built on decades of development and innovation to inspire new generations of **CDMPs/CRTWCs**.

## Conference will focus on four key pillars

- 1. Creating a Culture of Accommodation
- 2. Brain Health (including Neurodiversity) and the Issues associated with work
- 3. Developments in Health and Disability Management
- 4. Workplace Early Intervention and Mental Health Support (what works for whom)

You will nd details at www.ifdm2026.com
