

## Early Bird Tickets ifdm2026

## IFDM2026 Conference

Join us in **splendid, historically significant city of Edinburgh, Scotland, September 22-23 2026**. Over two days, enjoy plenaries, networking sessions, workshops, poster presentations and discoveries in Neurodiversity at work, Occupational Health, Vocational Rehabilitation, Disability Management (DM), Return to Work (RTW) and other workplace topics.

Biannually, the International Forum on Disability Management (IFDM) assembles global perspectives on consensus-based best practices, cutting edge research, and successful policies and programs for workers, employers, businesses and self-employed.

## Abstracts Update

We are delighted with the response received to our recent Call for Abstracts. With over 50 submissions received from professionals across the globe, ifdm2026 is gaining momentum and will be offering delegates a curated program aligned to the four pillars of the conference **Empowering Ideas, Shaping Futures**.

# Early Bird Ticket availability finishes on May 7, 2026

It's Spring in the UK and Ireland but we are thinking about Autumn/Fall in Edinburgh, Scotland; with just five months until the International Forum on Disability Management (IFDM) World Forum in Edinburgh, Scotland, 22nd & 23rd of September.

You still have time to join us and Dr Nancy Doyle, Dr Shriti Pattani OBE, Dr Tyler Amell, Cameron Stockdale, Elisabeth Kasilingam and many more specialists and leaders from across the world.

Register now for Early Bird prices before May 7th and benefit from 20% discount: <https://ifdm2026.com/conference/register>

## An overwhelming response from across the globe

We have received a fantastic response to our **Call for Abstracts** in preparation for this year's ifdm2026 conference.

From hydroponics workers to scientists, baristas and operational labourers, our team has been dazzled by fascinating research abstracts from Australia, Belgium, Canada, Germany, Malaysia, Africa

## Join a collaborative, thought-provoking two-days of real value
