Date: March 11, 2025 1:27:27 PM
Importance: High

Dear CDMP and CRTWC Members,

We would like to inform you of a planned multi-year incremental increase in our annual membership fees. Starting with the 2025 renewal year, the first adjustment will be a **10% increase**, bringing the renewal fee to **\$275**.

This change, effective **September 30, 2025**, marks the first adjustment in **22 years**. Over the coming years, incremental increases will ensure we can continue providing high-quality services, resources, and support to our members, while keeping pace with operational costs and industry advancements.

We are committed to transparency and will keep you informed about future adjustments. Your support and engagement are vital to our mission, and we appreciate your understanding as we implement these necessary changes.

If you have any questions or need further clarification, please do not hesitate to contact us. Thank you for your continued commitment to our community.

With gratitude,

Jennifer Eaton
